ROYAL SOCIETY

PACKAGE OUTFITS

Everybody tells us we're the cutest, most lovable little creatures ever made to smile at people and make them smile. We came from Rose O'Neill's pen, then we've been dolls for the children, and now embroidery designs for the grownups.

You can only get us in Royal Society Outfits, for Rose O'Neill arranged so that we would belong to the famous Royal Society family of needlework designs.

Kewpie Royal Society Package Outfits are made in a charming line of Pillows, Dresser Scarfs, Bags, Fanny Bags and other novelties. The Packages contain everything needed—material, sufficient Royal Society Embroidery Floss and complete instructions for making.

To my friends: (ladies and little ladies)—all who embroider and all who'd like to learn; I've very, very important news for you.

PACKAGE OUTFITS

are myself in beautiful needlework things for the home—pillows, dresser scarfs, bags, fanny bags and other novelties—work, a charming line! For the sunny, sitting room or anywhere, Rose O'Neill's own original designs, mild, like you've seen in the "Companion" have been adapted and beautifully fitted and grouped in Kewpie Royal Society Package Outfits.

Each package contains everything needed—material, sufficient Royal Society Embroidery Floss, and complete instructions for making. Every stitch is taken care of, so that anyone (even a beginner) can work them beautifully.

The "Kewpie" Series is the newest addition to the famous Royal Society Package line, which embraces shirt waists, harem scarfs, dressing sacques, children's clothing, etc. The Royal Society way saves you money and gives you beautiful things, made by your own hands in a delightful pastime.

Of all embroidery lines, Royal Society is the leader. Insist on it by name when buying just floss. Washing never affects its colors, are guaranteed fast—they have a peculiarly brilliant luster which they transfer to your work.

Royal Society Celesta Twist, made by a new and exclusive process, is the only complete line of artificial silks absolutely fast to washing.
